Our Company of the month is Blue Cross/ Blue Shield of Texas. We offer their Group Products as well as Individual Health Insurance. We have found the most popular of these plans to be the Medicare Supplement.

Medicare Supplement Insurance is designed to fill in the Deductibles and other Excess charges of part B. BCBSTX offers 5 of the 11 federally standardized plans. A, D, F, K, and L are offered beginning at age 65, with Plan F (full coverage for Part B excess charges) being the most popular. The guaranteed issue feature extends to members who are coming out of a group insurance plan or who have just reached age 65.

If you need more information please come by the office or you can go directly to the [www.BCBSTX.com](http://www.BCBSTX.com). The Federal Government also has a site [www.medicare.gov](http://www.medicare.gov). We are keeping track of the Healthcare bill to determine the potential affect on Medicare. Let us know how we can help you!

### CRUNCHY CABBAGE SALAD

(This recipe makes a large salad. Only make half for 4 people)

- 1 16 oz. pkg. cole slaw mix  
(I always add extra grated carrots and red cabbage)
- 1 1/2 c. sliced celery
- 1 bunch green onions, sliced  
(approx. 6 onions)
- 1 red apple, cored and sliced
- 1 1/2 c. red grapes, cut in half
- 1 c. sliced almonds
- Brianna's Poppyseed Dressing

1. Mix all ingredients together, except dressing, in large salad bowl.
2. Toss with dressing just before serving.

Note: This salad is also delicious with grilled chicken breasts (cut up). It is also good the next day! For more delicious recipes go to [www.carolyncooks.com](http://www.carolyncooks.com)
